Bringing title back after 30 days- If you plan on bringing a title back after 30 days below are the steps.

***Call the Auction and let them know you are planning on bringing the vehicle back.**

***The auction will call seller and let seller know you are planning on bringing vehicle back.**

***Whichever makes it here first is who is responsible example: Title makes before the vehicle the buyer will keep the vehicle. If vehicle makes it here before title seller will take vehicle back and it will be a voided deal.**
